Leadership

Peg Stessman

Founder and Chief Executive Officer

As Strategic's founder and CEO, Peg's job is to see the big picture for the company and arrange that picture into a composition that maintains operations and generates growth. This often requires turning obstacles into opportunities, a challenge that Peg finds invigorating because it allows her to test her problem-solving abilities. Overcoming obstacles is what makes Peg tick and part of the reason why she looks forward to coming to work every day.
